

## **Broadscope Announces Northeast Expansion**

PARAMUS, NEW JERSEY– April 5, 2017 – Broadscope Fund Administrators, LLC has announced its expansion to the New England market with the opening of a full-service office in Boston. The office is expected to be fully operational by early summer 2017.

Stacey Arrigo has joined Broadscope as managing director in charge of the firm's Boston office and responsible for the firm's expansion in the New England market. Stacey is a senior financial services executive with significant experience in the venture capital, private equity and alternative investment markets.

"The growth we have experienced during our first five years in business has been exceptional. We are now prepared to expand our presence in key markets, with the first being our full-service office in Boston. We are thrilled that Stacey has joined our team. She has a deep understanding of the venture capital and private equity markets and has been actively involved in the local community for many years. We're confident that Stacey will play a major role in expanding Broadscope's presence in the New England market." explained Frank Palmeri, Managing Partner.
